Be Natural. Be Beautiful. Be You.™

GINSENG & HEMP MOISTURIZER

WITH VITAMIN C ESTER

GINSENG

Ginseng helps to fight the appearance of wrinkles by promoting skin-firming collagen production and can leave skin with a brighter, more youthful look.

VITAMIN C ESTER

Vitamin C Ester furnishes anti-ageing benefits by brightening and clarifying the appearance of your skin.

HEMP

A natural source of CBD, hemp's therapeutic benefits for body and skin have been used in traditional medicine for centuries.

GREEN TEA & HEMP PERFECTING MASK

WITH VITAMIN C ESTER

GREEN TEA LEAF

Green tea leaf extract provides excellent antioxidant benefits that helps diminish the signs of skin ageing and enhance your skin's natural glow.

HYALURONIC ACID

Hyaluronic Acid is a component that helps retain moisture and keeps your skin feeling firm and youthful.

BURDOCK & HEMP CLEANSER

WITH PROVITAMIN B5

BURDOCK

Commonly used for its clarifying properties, burdock is a valuable ingredient to help remove the skin's traces of the stress and grime from daily life.

PROVITAMIN B5

Provitamin B5 delivers essential moisture often lost in the cleansing process and helps soothe and hydrate skin.

LIQUORICE & HEMP EXFOLIATOR

WITH ROSEHIPS & BENTONITE

LIQUORICE

An all natural alternative to chemical skin ingredients, Liquorice helps provide a clean, vibrant look for your skin.

ROSEHIPS

High in vitamins, minerals, and fatty acids, rosehip seeds provide a natural resurfacing exfoliation to clear the way for fresh and vibrant feeling skin.

BENTONITE CLAY

Used for thousands of years, Bentonite clay helps wash away the daily skin-cell build up and refreshes the natural appearance of your skin.

WHITE PEONY & HEMP VITALITY SERUM

WITH DRAGON'S BLOOD & ACETYL HEXAPEPTIDE-8

WHITE PEONY

White Peony with potent antioxidant properties helps to enhance your skin's natural radiance and appearance.

DRAGON'S BLOOD

Dragons Blood is renowned to help fight against the signs of skin fatigue and ageing.

ACETYL HEXAPEPTIDE-8

Acetyl Hexapeptide-8 is a unique anti-wrinkle peptide that helps your skin to look, and feel, refreshed and youthful.
