

THE NATURAL ALTERNATIVE

HempVAP™ introduces a first of its kind CBD oil vaporizer pen. Unlike other vapes on the market, our sleekly designed vaporizer doesn't use nicotine or THC, and creates no "buzz" or "high". Instead, you receive only fast acting CBD with each and every flavorful inhale.

Premium natural
oil, expertly
cultivated from
non-GMO hemp.

PARTY KIT

HempVAP™ Party Kit is perfect for throwing a vape party. The HempVAP™ Party Kit includes 4 CBD oil atomizers and 15 replacement tips.

TERPENES

Our HempVAP™ CBD oil vaporizers are flavored with organic terpenes found in cannabis plants, including hemp. Terpenes are responsible for a plant's aroma and flavor and may have a range of uses since they can interact with many types of cell receptors and enzymes.

HEMPVAP™

AVAILABLE IN 100MG
& 300MG OPTIONS

**Available in 100mg & 300mg options*

BENEFITS

Contains THC
free CBD oil

Discreet enough and
easy to use anytime,
anywhere vapes are
permitted

No smoke, nicotine,
tobacco, unpleasant
odor or ash

Pleasant and
flavorful vapor; no
risk of second-hand
smoke exposure

HEMP VAP™

APPLICATIONS AND USE

May be used anywhere vaporizers are permitted.
HempVAP™ CBD oil cartridges are compatible
with any 510 threaded battery.

Simply screw cartridge into battery, being sure not
to overtighten. Engage battery to heat oil and
inhale steadily from mouthpiece.

INGREDIENTS

100 mg or 300 mg of CBD from
hemp oil; sustainably sourced
medium-chain triglyceride (MCT) oil;

Flavored with organic terpenes like;

- alpha-pinene
- myrcene
- limonene and
- linalool
- eucalyptol

for an all-natural botanical flavor.
