

# Pure Gold Limited Edition

**Just in time for the festive period,  
Kannaway is offering a limited-edition  
of Pure Gold Hemp Oil  
with 1500 mg CBD!**

Kannaway Pure Gold Limited Edition is a decarboxylated broad-spectrum CBD oil that provides the benefits of pure hemp oil and the reassurance of a non-detectable levels of THC.

This winter flavour edition contains

## 1500 mg of CBD

providing you with an extra 500 mg of CBD per 120 ml bottle!

Kannaway Pure Gold Limited Edition is an excellent daily source of CBD, terpenes, flavonoids and other trace cannabinoids.

This golden colored, high quality CBD hemp oil is combined with medium-chain triglyceride oil and contains natural spicy aroma, Beta Caryophyllene as well as

## Vitamin D

which contributes to the maintenance of normal bones and muscle function as well as proper function of the immune system. Supplementation of Vitamin D is essential particularly during winter season, when we don't get enough of this key vitamin from sunlight.

Kannaway Pure Gold Limited Edition Liquid can be taken as is from a spoon or blended into your favorite foods and beverages and is especially tasty in smoothies.
